

SOAP & SOLACE

TAP INTO YOUR CREATIVE SIDE WHILE CREATING A
LITTLE SOLACE WITH YOUR HANDS

CRAFT YOUR OWN SOAP RECIPE WITH NATURAL INGREDIENTS

Sometimes it just takes the right catalyst for oil and water to mix. Learn what it means to find comfort in the creative process as you create your own soap with Danielle Paluska of Wild Comfort Body Care. Step into the roll of a soapmaker. After creating your recipe, Danielle will help you to bring the ingredients to life as you craft the soap in her beautiful rural shoppe. You'll take home the soap to cure, cut and eventually enjoy and reminisce on all you've learned. The day isn't done there.

You'll get to felt your own soap to bring home as well so you can enjoy your creativity right away. Unplug and relax as you get a little messy and find some inner peace.
